

The University of Rhode Island

### **Assistant Professor, Ocean Engineering**

The Department of Ocean Engineering at the University of Rhode Island (URI) invites applications for a tenure-track faculty position at the Assistant Professor level. The department seeks to add an outstanding faculty member working in the area of underwater acoustics. The appointment is to begin no later than August, 2016. The successful candidate will teach undergraduate and graduate courses within the College of Engineering; advise graduate students; develop a strong externally funded research program; and publish refereed journal articles. Visit the URI jobs website at: <https://jobs.uri.edu> to apply and view complete details for job posting (#SF00097). Please attach 3 (PDF) documents to your online Faculty Profile Application: (#1) A letter of application, (#2) Curriculum Vitae to include the names, email addresses, and telephone numbers of at least three references, and (#3) a statement of teaching and research interests (as one complete document).

**Application Deadline: Search will remain open until filled. First consideration will be given to applications received by December 1, 2015. Second consideration may be given to applications received by December 15, 2015.**

**Applications received subsequent to second consideration date (December 15, 2015) may not be given full consideration. Only electronic applications will be accepted. The University of Rhode Island is an AA/EEOD employer.**

**Women, persons of color, protected veterans, individuals with disabilities, and other protected groups members are encouraged to apply.**
